Understanding annual limits

Like most Extras health covers, there are annual limits (a limit on how much we will pay towards your claims) for most services under Advanced Extras. These annual limits reset to the full amount on January 1 each year.

Please note: Benefits are payable up to your annual limit. Annual limits are per person per calendar year unless otherwise stated.

What are waiting periods?

All health funds have to apply waiting periods. It's the only way we can protect our community of loyal Members from people who would otherwise join our fund to claim large amounts, then leave.

That said, we try to keep waiting periods to a minimum. That's why, if you switch to us from another health fund, we'll honour any waiting periods already served with your previous insurer on an equivalent level of cover.
