At HIF, we're all about choice

When it comes to making an Extras claim, we have a host of convenient options. From fast on-the-spot eClaiming to our nifty mobile app, to claiming online, by email, or post. Simply choose the option that suits you best.

Registered your bank details?

If you choose to claim for Extras via Online Claiming, the HIF Member app or email, your rebates will be credited directly into your nominated bank account. No more cheques, no more bank queues. Easy!

If you haven't registered yet, simply update your details via our Online Member Centre at hif.com.au

Claim on the spot

Most Australian health service providers now offer on-the-spot electronic claiming, the quickest and easiest way to claim for Extras. Simply swipe your Membership Card through the eClaiming terminal and your rebate is deducted from the fee automatically. All you have to do then is pay any additional out of pocket expenses (if there are any). It's that easy. To find your nearest provider with eClaiming facilities, visit hicaps.com.au

Claim on your mobile

Our free and easy-to-use HIF Member app for Apple and Android devices makes it simple to submit Extras claims.

It's as easy as tap, snap and claim. You simply tap in your details, use your phone's camera to snap photos of your invoices then hit the submit button and you're done! From there, the HIF Member app cleverly bundles up everything you've submitted and emails one copy to HIF for processing, and one copy to you for reference. It's easy, efficient, and your money will be reimbursed asap.

Claim online

Our online Member Centre gives you access to a range of services to help manage your policy with the click of a mouse. Simply visit hif.com.au/members to make a claim. You can also update your personal details, view your claims history, make a payment, download a tax statement and more. Ready to claim online? Simply log on and click the 'Claims' tab.

Important checklist for claiming online or by the HIF Member app

- Is the invoice paid in full?
- Is the photo of the invoice complete and in focus?
- Can all the details be read clearly on the photo?
- Has the EFTPOS receipt been removed?

Please note only correctly submitted claims can be processed.

Claim by post

Some members still prefer to post in their claims, and that's fine by us. Just complete a claim form, attach the relevant accounts and mail it to: HIF, GPO Box X2221, Perth, WA 6847. You can download a form from hif.com.au/claim or get in touch with us and we'll post some out to you.

Important information

When lodging an Extras claim, you must ensure the following details and documents are included (claims received without these details will be returned unprocessed):
