

Target Market Determination: HIF Pet Insurance

Product Name: HIF Pet Basic, Middle and Top Cover Product Disclosure Statement (PDS) dated 15 April 2021.

What is a Target Market Determination?

This Target Market Determination (TMD) sets out the class of customers the product has been designed for and is suitable for. It sets out the target market for the product, conditions and restrictions placed on its distribution, events and circumstances that would reasonably suggest that the TMD is no longer appropriate and review periods and reporting obligations for the TMD.

This TMD does not provide any financial product advice on the product and does not take into consideration the objectives, financial situation and needs of individual customers.

The terms and conditions of the product are set out in the PDS. This TMD does not form part of the insurance contract and is not a summary of the product's terms and conditions. Customers should review the PDS before making any decision in relation to the product.

Any terms used in this TMD that are defined in the Corporations Act 2001 (Cth) have the same meaning as in that Act.

This TMD is available to any person at <https://www.hif.com.au/>

Effective date of this TMD: 5 October 2021.

Product description and key attributes

The product has been designed for people who want different choices of cover towards eligible veterinary expenses experienced by pet cats or dogs. The product has 3 levels of cover. These are briefly described below:

Consistency between the product and target market

This product will likely meet the likely objectives, financial situation and needs of the target market because it addresses the needs of customers in the target market to reduce the costs of eligible veterinary expenses.

Distribution Conditions

This product is distributed through:

- Visiting the website of HIF Pet Insurance; or
- Calling the contact centre of HIF Pet Insurance.

Note: HIF Middle cover is available to renewing customers only.

All enquiries made online use a quotation tool which ask the customer to answer a series of questions before finalising a quote. Customers seeking a quote via the phone will be asked a series of questions from a system-based script by a trained operator. The response to these questions will determine if the customer meets the eligibility criteria, which align with the description of the target market set out above. A sale will not progress if these eligibility criteria are not met.

All call centre representatives are provided with adequate training and their sales are routinely monitored by us to ensure that they sell the product only to customers who are in the target market.

HIF Pet Insurance is promoted and distributed by Health Insurance Fund of Australia Limited (ABN 84 607 276 950; AR no. 1250504). We also have arrangements in place with Health Insurance Fund of Australia Limited for ensuring that the product is distributed to the customers that fall within the target market.

Reviewing this document

Periodic Review

We will review this TMD within 24 months from its commencement date and subsequently every 24 months thereafter.

Review Triggers

We will also review this TMD if there are events or circumstances that reasonably suggest that the TMD is no longer appropriate. The triggers for this review may arise from:

- any material changes being made to the product coverage, pricing methodology, underwriting or eligibility criteria or its method of claims assessment and settlement;
- any material changes to methods of distribution;
- changes in law or regulatory guidance or industry code which may materially affect the terms of cover or distribution or regulatory feedback or concerns raised to suggest the TMD may no longer be appropriate;
- identification of systemic issues and findings, produced from quality assurance or governance processes, that may indicate an issue with the product or the appropriateness of the TMD;
- any occurrence of a significant dealing outside of the target market;
- compliance incidents and breaches that may indicate an issue with the product and the appropriateness of the TMD; or
- material deviations developing in the customer value metrics that track:
 - financial performance of the product;
 - product desirability;
 - benefit attained from the product by customers;
 - overall claims experience;
 - number and type of complaints received; and
 - customer feedback received.

Reporting

Distributors of this product are required to report the following information to us within the time specified below:

Information	Reporting period
Actual or potential significant dealings of the product outside of the target market	As soon as practicable and in any event within 10 business days of first becoming aware
Actual or potential issue of the product in breach of distribution conditions or outside of the target market	As soon as practicable and in any event within 10 business days of first becoming aware
Number and details of all complaints received	Within 10 days of the end of each quarter
Sales and marketing data including but not limited to quotes and sales made, promotions applied, cancellation of cover information	Within 10 days of the end of each quarter
