If you do select an excess, you'll only need to pay the excess per-person per calendar year if admitted to hospital for overnight stays. No excess applies to dependants under the age of 18.

Please note: As Gold Star Hospital is now a closed product, the excess amount cannot be changed.

Hospital waiting periods

A waiting period refers to the period of time you have to wait (after purchasing or upgrading Hospital Cover) before you're entitled to receive benefits for services or items included on your chosen level of cover.

For Gold Star Hospital, the applicable waiting periods are:

- **Emergency Ambulance:** 1 day
- **Non-Emergency Ambulance:** 30 days
- **General hospitalisation:** 2 months
- **Psychiatric care, rehabilitation and palliative care:** 2 months
- **Pre-existing conditions:** 12 months
- **Pregnancy and birth:** 12 months

Please note: Members are entitled to upgrade to Gold Star Hospital to access the once in a lifetime waiting period exemption for psychiatric care (conditions apply, please contact us for more details).

What's a pre-existing condition?

The Pre-existing Condition Rule is a 12-month waiting period for hospital treatment relating to a pre-existing condition – it's a rule that applies whether the ailment, illness or condition was known to the member or not.

A pre-existing condition is defined as, 'Any ailment, illness, or condition where, in the opinion of a medical adviser appointed by the health insurer, the signs or symptoms of that illness, ailment or condition existed at any time in the period of six months ending on the day on which the person became insured under the policy.'

The pre-existing condition waiting period applies to new members and existing members upgrading their cover. The test applied relies on the presence of signs or symptoms of the illness, ailment or condition, not on a diagnosis (i.e. it's not necessary for the member or their doctor to know what their condition is or for it to be diagnosed).

In forming an opinion about whether or not an illness is a pre-existing condition, an HIF-appointed medical practitioner will take into account information provided by the member's treating doctor/specialist.
