Welcome to HIF

This policy booklet contains three parts, your:

- Product Disclosure Statement
- Policy Terms & Conditions
- Financial Services Guide

Product Disclosure Statement (PDS)

The PDS is designed to help you understand what you need to know about HIF Pet so that you can decide whether to proceed with this cover. The PDS has been prepared by Hollard, who is the insurer and product issuer. Hollard has sole responsibility for the PDS, for each HIF Pet policy issued, and for the assessment and payment of claims. PetSure has been given a binding authority by Hollard which authorises it to enter into, vary and cancel HIF Pet on behalf of Hollard as if it were Hollard, subject to the limits of authority agreed with Hollard.

HIF Pet is not issued or guaranteed by HIF and HIF is not involved, nor liable, in any manner in respect of the assessment and payment of benefits under HIF Pet.

The PDS describes the main features and benefits of HIF Pet. Any information contained in the PDS is general information only and does not take into account your individual objectives, financial situation or needs. Before acting on this general information, you should consider the appropriateness of the general information having regard to your individual objectives, financial situation and needs.

Policy Terms and Conditions

The Policy Terms and Conditions of HIF Pet have been written in plain language to help you understand the insurance cover offered, as well as an insured's rights and obligations under a HIF Pet policy.

You should carefully read the PDS and the Policy Terms and Conditions in this booklet before making any decision about whether to purchase HIF Pet. Note that you have a cooling off period and certain cancellation rights.

Financial Services Guide (FSG)

The FSG contains important information about the services provided by HIF and other persons or organisations listed in the FSG in relation to HIF Pet, how they are remunerated in relation to the services offered, and their internal and external dispute resolution procedures. It is designed to assist you in deciding whether to use any of their services. HIF and other persons or organisations providing the services are responsible for information relevant to them in the FSG.

Frequently asked questions*

What cover types are offered by HIF?

HIF offers three different levels of cover that you can choose from. Details of each level of cover is available in Section 2 – Your Cover, we have included a brief outline of our cover:

Basic: Cover for Accidental Injury, ingesting foreign objects, poisoning, toxicity and treatment of paralysis tick and snake bites.

Read this document to know what you're covered for.

Middle: Cover includes all of basic plus Cancer treatments, Joint luxations/dysplasia's, Intervertebral disk disease (IVDD) and some developmental problems.

Read this document to know what you're covered for.

Top: Our broadest cover that covers eligible Vet Expenses for your pet suffering any Illness or Accidental Injury covered by the Policy

Read this document to know what is covered by your policy.

What percentage of my vet expenses am I covered for?

We will reimburse you the Benefit Percentage selected by you which will be shown on your current Certificate of Insurance. Limits may also apply.

For example, for an 80% Benefit Percentage we will reimburse you up to 80% of the eligible Vet Expenses.

What Excess applies?

Unlike other pet insurance companies HIF Pet does not impose or require you to choose an excess – with HIF Pet, you do not have to pay an Excess because we believe that this should not reduce your claim payment on your pet insurance policy.

What waiting periods apply?

The Waiting Periods are specified in Section 1 Definitions on page 26 of this document.

What is a pre-existing condition?

If any symptoms or signs of a Condition occur or the Condition exists in any form prior to insurance or during the applicable Waiting Period, then it will be considered to be a Pre-existing Condition and it will not be covered. (Refer to the 'Pre-existing Condition', 'Related Condition' and 'Bilateral Condition' definitions on pages 22 and 24).

For example, if your pet shows first signs of cancer prior to insurance or within the Waiting Period, then cancer will be considered as Pre-existing and all expenses incurred for cancer will not be covered.

What is an example of a bilateral condition?

An example would be, if your pet displays clinical signs of a cruciate ligament Condition in the left leg prior to insurance or during the Waiting Period (a Pre-existing Condition), Vet Expenses for a subsequent cruciate ligament Condition in the right leg will not be covered. (Refer to the 'Bilateral Condition' definition on page 22).

Is my pet eligible for pet insurance?

You can apply for cover as long as your pet meets the eligibility criteria for the policy you apply for.

What exclusions apply?

As with most insurance products, there are certain situations where you will not be covered. It is important that you read all of your policy documentation for full details (including the Your Cover and General Exclusions on page 41).

* Information about insurance coverage in this section is a summary only. You should read the Combined PDS, Policy Terms & Conditions and FSG for full details of Terms and Conditions, Waiting Periods and Exclusions.

Product disclosure statement

Hollard is solely responsible for the PDS and is the insurer under each HIF Pet policy issued. PetSure has been given a binding authority by Hollard which authorises it to enter into, vary and cancel HIF Pet on behalf of Hollard as if it were Hollard, subject to the limits of authority agreed with Hollard. PetSure does not act for you. HIF is authorised to distribute and promote HIF Pet but does not issue policies and is not involved in the assessment or payment of claims.

This PDS contains important information about:

- significant features and benefits of HIF Pet;
- your Duty of Disclosure when applying for HIF Pet;
- our internal and external dispute resolution procedures; and
- your cooling off rights when purchasing HIF Pet.

Please note that, while this PDS provides a summary of the significant features and benefits of HIF Pet, you must also read the Policy Terms and Conditions in this booklet to understand the insurance provided (including what terms, conditions, exclusions and limitations may apply to your Cover).

Sometimes we need to change the wording of the policy before it is issued to you because your insurance varies depending on a number of factors. We do this by adding what is called an endorsement. You will find any endorsements that apply to your policy printed on your Certificate of Insurance.

We may need to update this PDS from time to time if certain changes occur and where required by law. If the change results in a material change from the PDS you hold, we will provide you with a new PDS or supplementary PDS.

Protection for your pets

Subject to the terms, conditions, exclusions and limitations that apply to your Cover (as set out in this document), HIF Pet provides:

- financial protection for Vet Expenses in respect of the insured Pet occurring or first showing clinical signs within the Policy Period and after any applicable Waiting Period; and
- for eligible Vet Expenses, the use of any Vet in Australia and, in some cases, overseas.

'Vet Expenses' are defined in Section 1 - Definitions on page 25 and may be subject to stated limits and applicable Waiting Periods.

Understanding the limits of the insurance

HIF Pet transfers many of the financial risks pet owners face for Vet Expenses from the insured to the insurer. However, HIF Pet does not cover every circumstance or expense and we have certain terms, conditions, exclusions and limitations that help keep premiums low. These include, but are not limited to, conditions such as pregnancy, elective procedures, pet foods/diets, grooming and medical conditions that are present or that you were aware of (or that a reasonable person in your circumstances should have been aware of) prior to the policy Commencement Date or that arise during the applicable Waiting Period. Maximum monetary limits also apply to the benefits payable in any one Policy Period. These are called the Benefit Limit and can vary depending on the relevant cover. Sub-limits for particular conditions may also apply.

Full details are specified in the Policy Terms and Conditions (pages 18 to 20).

Your duty of disclosure

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, which may affect our decision to insure you and on what terms. You have this duty until we agree to insure you. You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us something

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Calculating your premium

Your premium is calculated when your HIF Pet policy begins, and at each policy anniversary (and if you vary or extend cover) and is printed on the relevant Certificate of Insurance.

The premium is calculated based on a number of factors. Some are pre-set and don't vary for each insured (e.g. amounts we take into account for certain internal costs and expenses). Others can affect the premium amount up or down depending upon whether we believe it increases or decreases the risk to us, such as the Cover you have chosen, the Benefit Percentage applicable to the Cover you have chosen, where you and your Pet permanently live and the species, breed and age of your Pet. The amount you pay includes allowances for government fees, taxes and charges (including stamp duty and GST). You can ask us for further information.

Minimum premiums and discounts / entitlements may apply, subject to certain criteria. Discounts / entitlements / premiums may be rounded up or down and only apply to the extent any minimum premium is not reached. They are also applied in a predetermined order (excluding amounts for government taxes and charges) as reduced by any prior applied discounts / entitlements. They are applied to the base premium calculated prior to any taxes being added.

Cooling off period

You have a full 21 days from the policy Commencement Date (or any renewal date) to make sure you are happy with every aspect of your HIF Pet policy. This is known as the "cooling off" period. During this time you may cancel the policy simply by contacting to us. If we receive your request to cancel your policy within the 21 day period after the policy Commencement Date (or any renewal date), we will give you a refund of any monies received since commencement or renewal, less any reasonable administrative and other transaction costs incurred by us, which we are unable to recover and any taxes or duties that we are unable to refund.

You cannot return your HIF Pet policy if you have exercised any of your rights or powers under the policy (e.g. you have made a claim) within the 21 day cooling off period. After the cooling off period ends you continue to be able to cancel your policy and you have rights upon cancellation in certain circumstances under the policy. These rights are set out in Section 7 - Cancellations on page 47.

Financial claims scheme and compensation arrangements

We are an insurance company authorised under the Insurance Act 1973 (Cth) (Insurance Act) to carry on general insurance business in Australia by the Australian Prudential Regulation Authority (APRA) and are subject to the prudential requirements of the Insurance Act.

The Insurance Act contains standards designed to ensure that, under all reasonable circumstances, financial promises made by us are met within a stable, efficient and competitive financial system. Because of this we are exempted by the Corporations Act 2001 (Cth) from the requirement to meet the compensation arrangements Australian Financial Services licensees must have in place to compensate retail clients for loss or damage suffered because of breaches by the licensee or its representatives of Chapter 7 of that Act. We have compensation arrangements in place that are in accordance with the Insurance Act.

If we were to fail and were unable to meet our obligations under your policy, a person entitled to claim under insurance cover under the policy may be entitled to payment under the Financial Claims Scheme (access to the Scheme is subject to eligibility criteria). Information about the Financial Claims Scheme can be obtained from the APRA website at fcs.gov.au and the APRA hotline on 1300 558 849.

Authorised for issue

This PDS including the Policy Terms and Conditions was prepared by Hollard. HIF and PetSure have given their consent to all statements by or about them in the form and context in which they are included and have not withdrawn as at the date of the PDS. These statements appear throughout the PDS.

Policy terms & conditions

The HIF Pet policy

Upon acceptance of application for your Cover, you will be issued a Certificate of Insurance. We will issue a new Certificate of Insurance:

- on renewal of your policy each year; or
- if you or we change your Cover.

Your policy will continue for a period of twelve (12) months from the policy Commencement Date unless cancelled by you under the cooling off period as explained on page 11 or cancellation provisions of the policy as explained in Section 7 - Cancellations on page 47. We also have certain cancellation rights by law. For your convenience and to ensure continuity of cover for your Pet, we will automatically renew your policy each year, refer to the "Automatic renewal of your policy" section on page 19.

Your policy comprises of the Certificate of Insurance, PDS, Policy Terms and Conditions, FSG and any endorsements issued by us from time to time.

The basis on which we insure you

Subject to the Terms and Conditions of the policy, we will reimburse the Vet Expenses incurred by you as a result of a Treatment to the insured Pet as per your selected cover up to the specified Benefit Percentage, but subject to any applicable Benefit Limit which may apply, provided that:

- you have paid or agreed to pay the premium to us for the Cover provided;
- the Condition(s) arose during the Policy Period; and
- the Treatment occurred during the Policy Period.

Where we agree to provide Cover under the policy we rely on the representations made by you during your application for insurance.

Coverage under the policy will depend on the level of Cover you have chosen. Your Certificate of Insurance will state your Pet level of cover as detailed in Section 2 on page 27.

Additional and optional benefit(s) may also be provided if specified on your Certificate of Insurance.

Automatic Renewal of your Policy

We will advise you regarding renewal of your policy prior to the expiration of the current policy. We may change the terms and conditions of the policy upon renewal to reflect the portion of the risk associated with insuring your Pet based on factors such as (but not limited to) your Pet's age, location and medical history, as well as any changes we make to the policy or the level of Cover.

Unless otherwise notified, your Cover will be automatically renewed on the terms contained in the renewal offer and we will deduct/charge the renewal premium from your nominated account/credit card unless you tell us not to. If the account/credit card is not yours, you confirm you have the authority of the relevant person to use it and they have agreed to these terms.

We require you to notify us should you decide not to renew your policy.

On renewal, you must tell us if the information you have previously supplied is incorrect or incomplete in order to comply with your Duty of Disclosure. If you do not we may reduce or refuse to pay a claim or cancel the policy.

Delivery of your policy documents

Unless you tell us otherwise or we tell you it is no longer suitable we will send your policy documents and policy related communications electronically. This includes email and/or other methods of electronic communication. You will need to provide us with your current email address and your mobile phone number. Each electronic communication will be deemed to be received by you on the transmission date recorded in our systems. Where we deliver your policy documents and policy related communications by mail in printed form all such communications will be deemed to have been successfully delivered once mailed by us to your last notified postal address.

Benefits do not accumulate across Policy Periods. The policy benefits will expire at the end of each Policy Period.

Your rights and duties under the policy cannot be transferred without our prior written consent.

Benefit Percentage means the stated percentage of each claim for eligible Vet Expenses for which we will reimburse you and subject to any applicable Benefit Limits. Note: The applicable Benefit Percentage will be shown on your Certificate of Insurance.

Bilateral Condition means any Condition affecting body parts of which the Pet has at least two, one each side of the body (e.g. ears, eyes, knees, cruciate ligaments). Note: When applying a Benefit Limit or exclusion, a Bilateral Condition will be considered a single Condition.

For example: if your Pet displays clinical signs of a cruciate ligament Condition in the left leg prior to the Commencement Date of the policy or during the Waiting Period, Vet Expenses for a subsequent cruciate ligament Condition in the right leg will not be covered.

Pet means a dog or cat covered under the policy and named on your Certificate of Insurance.

Policy Period means the time during which we provide Cover as specified on your Certificate of Insurance.

Related Condition means a Condition that even though it has shown first signs or symptoms during the Policy Period (outside of the Waiting Period), is considered to be a Pre-existing Condition if it has the same clinical symptoms, diagnostic classification or results from the same disease process as a Pre-existing Condition regardless of the number of areas of your Pet's body affected.

 - you may be refused cover in the future under any policy administered by PetSure; and
 - any application for general insurance products in the future may be affected because you had a policy cancelled as a result of unpaid premiums.

7.1 Cancellation by you

You may cancel your policy at any time by giving us notice in writing of your intention to do so. The cancellation will be effective at the time the notice of cancellation is received by us. We will only accept notices of cancellation given in writing and signed by you. We will not accept cancellation requests by telephone or email unless agreed to by us.

Any outstanding premium may be deducted from any claim payment owed, or alternatively, charged to your nominated bank/credit card account. This clause survives termination of this contract.

If you cancel your policy for any reason (other than your Pet passing away) you will be charged a cancellation fee.

7.2 Cancellation by us

We may cancel your policy where the law allows us to do so. If we cancel your policy, we will refund any money we owe you less any non-refundable statutory fees. If we cancel your policy due to fraud, we will not refund any money to you.

For more information about cancellations refer to Section 6 - 'Premiums' on page 45.

Section 8 Claims

8.1 What you need to do

All claims must be completed carefully and honestly and can be submitted online or by post. If submitting a claim by post claim forms are available on request by calling 1300 070 946 or can be downloaded from hif.com.au/pet

The list below sets out the procedure when submitting a claim.

How to make a claim and your consent

All claims (online and Post)

- All claims must include itemised tax invoice/s, payment receipt/s and applicable consultation notes. If submitting a claim by post all claim documentation must be originals and must be accompanied by a completed claim form. Incomplete claim forms will be returned to you and this may result in a delay in processing your claim. We recommend that you retain copies of all documentation for your records.
- If submitting a claim for the first time, please include a full veterinary history from the attending Vet and any previous Vets who have treated your Pet. Failure to include this may result in delays in processing your claim.
- All claims should be submitted to us and received within ninety (90) days of the relevant Treatment being provided and all accounts must be paid in full prior to submission of your claim.
- You agree that your Vet (current or previous) is authorised to release information and/or records to us about your Pet.
- You agree that we are authorised to discuss with the Vet, details relating to your claim or Treatment provided to your Pet in relation to a claim made under the policy.
- You agree that we have the right to decline to process a claim where you or your Vet refuse or are unable to provide information reasonably requested by us in order to process your claim.
- We will not reimburse you for the provision of any information required in the administration or execution

of the policy nor for the assistance provided to you in the completion of any forms relating to the policy including the provision of any information in relation to a claim made under this policy.

If submitting a claim by Post

- The attending Vet must complete all sections on the claim form where designated and both you and the attending Vet must sign the claim form.

If submitting a claim online

- If your Vet has agreed to submit your claim electronically on your behalf, you agree we are authorised to receive each such claim submitted.

8.2 What we will do

1. We will deal directly with you regarding settlement of the claim.
2. Unless agreed to by us, we will pay you, not the Vet.
3. If the Vet Expenses:
 - a. are considered by us to be excessive or unreasonable; or
 - b. are higher than the Vet Expenses normally charged by a general or referral practice; or
 - c. in our opinion may not be required; or
 - d. are regarded to be excessive when compared with the Treatment normally recommended to treat the same Condition by general or referral practices, then claim payments will be adjusted and paid based on the reasonable and customary Treatment or fees typically charged for the Treatment of that Condition. We reserve the right to request a second opinion from a Vet that we choose. If the Vet we choose does not agree that the Treatment provided or fees charged were reasonable, we may decide to pay only the cost of the Treatment that was necessary and/or reasonable to treat the Condition (as advised by the Vet from whom we have requested the second opinion).

4. We will send you a letter/remittance advice regarding the settlement of your claim that will provide details of how your claim has been dealt with.
5. If you submit a fraudulent claim, or solicit your Vet to behave in a fraudulent manner regarding a claim, then the claim may be denied and we may cancel your policy altogether. We may also be entitled to reclaim any payments already made to you in respect of such claims.
6. When we settle your claim, we reserve the right to deduct from the benefit amount any amount due to us.
7. In the event that we pay a benefit contrary to the Policy Terms and Conditions for whatever reason, this will not constitute a waiver of our rights to apply the Policy Terms and Conditions retrospectively as they stand to any paid claims or to any future claims for that or any Related Condition. We also reserve our right to recover from you any benefit amount received by you as a result of such error.

8.3 Example of how we settle your claim

The following calculations provide examples of how claims will be settled where Cover is provided (these examples are indicative of the manner of calculation only and include GST):

80% Benefit Percentage

Total amount of eligible Expenses paid by you to the Vet	\$2,000
.....	
Total amount claimable after 80% Benefit Percentage applied	\$1,600
.....	
Total payment	\$1,600
.....	

8.4 Our rights of recovery

If we have the right to recover any amount payable under the policy in relation to a claim from any other person, you must cooperate with us in any action we may take.

8.5 Other insurance arrangements

If we accept your claim and there is any other similar insurance under which you are entitled to claim, you are required to advise us at the time you submit your claim if you hold such other insurance. Total benefits paid to you across all insurance cannot exceed your actual expenses.

Section 9

Direct debit request summary

When you provide us with your bank details, you are instructing us to directly debit the relevant premiums calculated by us from your nominated account.

If your premium cannot be paid (for example there is not enough money in your nominated account) your bank may dishonour that payment, and you may be charged a dishonour fee by your bank. Neither Hollard, HIF nor PetSure will be responsible for dishonour fees charged by your bank or financial institution. If your direct debit is dishonoured we will automatically retry for the outstanding amount within fourteen (14) days, and you may be charged a dishonour fee by PetSure.

If you have concerns about the operation of the direct debit authority or you subsequently need to change any aspects of the authority, please notify us.

About Hollard, HIF, PetSure and other relevant persons/organisations

Hollard is an Australian Financial Services Licensee (AFSL 241436) authorised to provide advice and deal in relation to all general insurance products. Hollard is the insurer and issuer of HIF Pet policies. In providing the financial services set out in this FSG, Hollard does not provide personal advice and does not act for you.

HIF is an Authorised Representative (Number 1250504) of PetSure and is authorised to promote HIF Pet which is issued by Hollard. HIF does not provide personal advice and does not act for you.

PetSure, a related company to Hollard, is an Australian Financial Services Licensee (AFSL 420183) and is authorised to deal in and provide general advice on general insurance products. It administers pet insurance policies on behalf of the insurer Hollard and determines, on behalf of Hollard, whether a policy can be issued to you by Hollard.

PetSure has been given a binding authority by Hollard which authorises it to enter into, vary and cancel these policies on behalf of Hollard as if it were Hollard. PetSure's authority is subject to the limits of authority agreed with Hollard. PetSure has also been appointed by Hollard as its agent to manage, administer and settle claims made under HIF Pet policies. This means PetSure makes decisions about claims on behalf of Hollard. In providing the financial services set out in this FSG PetSure does not provide personal advice and does not act for you.

Important information you should know

The organisations in this section have not and will not consider whether HIF Pet is appropriate for your personal objectives, financial situation or needs as they do not provide such services to you. Any information provided in relation to this product is of a general nature only and is not based on a consideration of your personal needs, objectives or financial situation. Therefore you need to consider the appropriateness of any information given to you, having regard to your personal circumstances before buying HIF Pet. You need to read the PDS including the Policy Terms and Conditions to determine if the product is right for you. The PDS contains information on the relevant risks, benefits and significant characteristics of the product and is aimed to assist you in making an informed decision about whether to buy it or not. How each party is paid for its services

When you purchase a HIF Pet policy you pay the premium to Hollard for the product. This amount is provided to you before the product is purchased.

HIF may receive a commission of up to twenty three percent (23%) of the net premium (this is the premium less any government taxes and charges) for promoting HIF Pet policies. This commission is used by HIF to cover costs associated with the marketing and distribution of this product to you and may include any referral fees to people or organisations that refer new customers to HIF.

HIF staff who provide services in relation to HIF Pet receive an annual salary from HIF, which includes bonuses based on performance criteria.

PetSure receives a portion of the underwriting profit, if any, for administering HIF Pet products.

PetSure may receive an activity payment directly from HIF for retention and support services in connection with HIF Pet on behalf of Hollard. The amount of that activity payment is time based and will be calculated taking into account time spent handling retention related calls. The payments to PetSure are not additional charges to you and are not in addition to the total premium you pay.

You may request particulars about the above remuneration (including commission) or other benefits from the relevant entity providing the relevant financial service; however, the request must be made within a reasonable time after you have been given this document and before the relevant financial service has been provided to you by them. The contact details for each of HIF and PetSure are set out below.

Compensation Arrangements

The Corporations Act 2001 (Cth) requires Australian Financial Services licensees to have arrangements for compensating retail clients for losses they suffer as a result of a breach by the licensee or its representatives of Chapter 7 of that Act, unless an exemption applies.

To this end HIF and PetSure have Professional Indemnity Insurance in place which meets the legislative requirements covering their activities and includes the conduct of any employees who are no longer employed by HIF or PetSure but were so at the time of the relevant conduct.

Refer to the “Financial Claims Scheme and Compensation Arrangements” section on page 17 in the PDS for further information on Hollard’s compensation arrangements.

Your privacy

Refer to the “Your Privacy” section on page 12 of the PDS for further information on what we do with your information.

How are Complaints resolved?

Refer to the “If you have a complaint” section on page 16 of the PDS for further information on how complaints are dealt with.
